

To whom it may concern:

I am writing this letter of recommendation for Kacy Benson. Kacy was recommended to us by Bob Stephenson, a local youth pastor. Mr. Benson spoke at a motivational assembly of junior high and high school students. We started at the beginning of the day and right off the bat the students were energized, laughing, and engaged in his speech. Kacy has a background in education and coaching and uses his experiences in those fields to enlist the attention of the kids. He used his own life situations that easily applied the lives of our students. His humor coupled with a juggling routine involving some of our athletes, held their attention throughout his presentation. Kacy was able to bring all of that together to teach life lessons on drug and alcohol abuse as well as other choices that will their destroy their lives.

I would recommend Kacy Benson to any school, youth group, and/or athletic team as a motivational speaker. He truly has a gift that he uses to bring a positive light into young people's lives. He is an incredibly talented speaker and I would not hesitate to bring him back to Alba-Golden ISD.
