

JAMES BOWIE HIGH SCHOOL

❖ *Pride In Performance* ❖

To Whom It May Concern:

I'd like to take this opportunity to encourage you to pursue an assembly with Kacy Benson. We were fortunate enough to have him at our school to speak with our students and I believe his message made an impression on our students. Kacy has a great way of connecting to his audience and holding their attention through his important message. He is a dynamic speaker and his message appeals to young people and adults as well. He was animated and entertaining to watch and kept the students engaged throughout the assembly.

Kacy has the utmost professionalism while presenting and afterward when talking with the students. Because of his caring and accepting manner, students feel comfortable sharing with him some of their struggles. Kacy made an impact on our students not just for a day, but for a lifetime.

If you have the privilege and ability to invite Kacy to speak, I am confident you will enjoy his presentation and his message. He will engage his audience and create a caring atmosphere for all in attendance. Please feel free to call or email with any additional questions or to talk further about our experience with Kacy. You will not be disappointed.

Sincerely,
