To Whom It May Concern:

It is with great pleasure that I am writing this reference letter for Kacy Benson. Kacy has been to our school on two occasions. He has spoken to our students on **choices**, covering drugs and alcohol and his **personal testimony**. His testimony was well received by our student body as he gave his heartfelt message, and how he was able to **overcome** in order to succeed in life. His message was presented with lots of **humor** as Kacy is an extremely talented speaker. Our students connected with Kacy, so much, that the school brought Kacy back for a presentation about **bullying, respect, and lifelong commitments**. Although Kacy was professional in his presentation to the student body and did not cross the line of religion, a youth revival was held in **conjunction** with his presentations.

As the High School Principal, I have known Kacy Benson for the past three years. His message is about **self-worth** as he shows our students that he cares for them emotionally and spiritually. I say all of these things to say that Kacy is a dependable, organized, spiritual leader. It takes a great deal of **organization** and **prioritizing** to speak as he does and **engage** an audience with humor, but is able to remain focused on the character message that takes place.

Kacy has been an asset to our school and community. In this time of economic crisis, investments need to be secure. Kacy Benson is a worthwhile **investment**.

Thank you for your consideration of this **amazing** person!

Respectfully,

*Wade Wesley*
